## Swimming Sessions

The annual Learn to Swim sessions are now underway. After two days we have the usual collection of odd socks, underpants, hairbands, towels and swimmers left at school and a number of students asking the office to ring parents to bring their swimmers.

As there are so many students involved in swimming it is not our practice to ring parents in this way.

We encourage students to become more independent and responsible in looking after their gear to avoid any issues with lost clothing.

As children are also bringing money to school for the Lunch Centre and swimming, in many cases we ask parents to ensure children have a safe method of looking after their money as we often have money found in the playground at this time of year as well.

**Please note: due to a double booking of the pool by the Council we will not be swimming on Thursday this week.**

## Sports results

Congratulations to the Boys Soccer team, awarded the Sub Junior Sports Team of the Year, at the recent Glen Innes Sports Council Awards evening.

Congratulations also to

Tabitha Petersen: Under 9 girls  
Kaleb Hope: Under 9 boys  
Kate Mephram and Evan Byrne: Sub Junior Runners Up

## Volunteers Lunch

This year we will again be hosting a Volunteers Lunch to thank all those people who generously donate their time to the students at the school through their roles in the Lunch Centre, as classroom helpers, scripture teachers and other roles.

The lunch will be held on **Tuesday 4th December**. A separate letter of invitation will be distributed to all those who have helped out during the year. We are very grateful for the work you do but even more so for the great example you set to our students in regard to helping others.

## Class parties

The last day for Students this year will be Thursday 20th December.

Class parties will be held on Tuesday 18th December. As usual we are happy to have children bring along food to share at the class parties. We do have these marked as RED DAYS so some less healthy food can come to school but we ask parents to remember that we promote a nut-free school.

Individual teachers will provide further information to each class closer to the date.

The 3DG, 3LJ and 3/4BR classes will have their class parties at the Pioneer Village as part of their excursion.

This means parents do not have to send food as the cost of the BBQ lunch etc. is included in the cost of the excursion.
