Term 3 - Tuesday, 17th July 2012 (Week 1)

Website: [www.gleninnes-p.schools.nsw.edu.au](http://www.gleninnes-p.schools.nsw.edu.au)

Welcome back to Term 3.

This has been a very sad start to the term for the staff and the wider school community with the sudden passing last week of our General Assistant, Peter Goodwin.

Peter - better known to everyone as Goody - has worked at the school for many years. He also worked at Glen Innes West, Red Range and the High School and supported St Joseph's as well.

He will be remembered for his hard work and professionalism in his work role of course but his strong sense of community and great sense of humour were his hallmarks. He loved his family, his friends and his fishing and we are going to miss him greatly.

The funeral will be held on Thursday morning. A significant number of staff will be attending the funeral and as a result the school will be operating with VERY MINIMAL supervision for the day. We ask for your support in this matter.

Thank you

**Sue Belford**  
**Principal**

## Staffing

This week marks the beginning of

the new program announced by the government last term known as "Every Student Every School" (ESES).

This has meant a change of staff for the school. Mrs Alcock has been transferred closer to her home and Ms A Vosper joins us in her place. Miss Grewal will be working one additional day per week to provide additional support in the infants literacy and numeracy programs.

Part of the change has meant we no longer have access to Mrs Ferris our specialist Behaviour Support teacher. As a result we have restructured our training program to provide additional training for a number of staff in behaviour management and support, autism support and special needs identification and support. This up-skilling program will involve several staff during this semester.

Miss Lawrence will now take over the role of implementing in-school management of the "Every Student Every School" initiative.

This means that she will share the 3LJ class with Mrs Morris on two days per week rather than the one day per week model from first semester.
