Glen Innes Public School Newsletter

Term 2 - Tuesday 11th June 2013 (Week 7)

Website: www.gleninnes-p.schools.nsw.edu.au

Last Thursday the school hosted a Network Meeting for a large number of School Administration Managers from schools in the area. Mrs Clibborn fulfils this role at our school. The role of the SAM is critical to the effective operation of a school as the office is the middle point between the community and the teaching staff.

As the new system for school operation known as "Local Schools Local Decisions" (LSLD) and the management system known as Learning Management Business Reform (LMBR) comes into force in 2014, the role of the SAM in the school will increase. The opportunity to meet and train on new systems together is invaluable.

School Mobile App

We are encouraged by the number of families who have installed the free School Mobile App on their Smartphones.

Some families are choosing to send in their absence notes via the App. The absences come through the school email account, when the "submit" button is pressed. The email is then submitted to the class

NW Netball Trials - Student report
I went to Armidale on Monday 20th May for North West trials in netball. We got there and did some warm ups and stretches. We were then split up, defenders and attackers, and we learned some great skills. After that we played a game and we played until they picked a team. Overall it was a good day and I had fun.
